PVC SWEEP SEALS DATASHEET - AUG08

Product specifications can change. Contact us to ensure you have our latest datasheet

PVC SWEEP SEALS

FP0511FT-21

with 6mm high fins. Available in 1M & 2.1M lengths.

FP0511 is an excellent acoustic, privacy and cold & medium smoke seal. It is especially useful as a privacy seal on toilet cubical doors.

Fits easily in a 3mm wide x 4mm deep groove.

Door edge gap size minimum 2mm maximum 5mm.

FP0510FT-21

with 4mm high fins. Available in 1M & 2.1M lengths.

hP0511

hP0511 is FP0511 inserted into a brown or white PVC holder for ease of application where cutting a kerf is not desirable. The PVC holder allows simple retro fitting with small nails or adhesive.

SLP

Wiping/Sweep kerf seal for timber doors and windows.

NOTE: The technical information and suggestions for use and application presented herein represent the best information available to us and are believed to be reliable. They should not however be construed as controlling suggestions and there is no warranty of performance of our materials either expressed or implied. We urge that users of our materials conduct confirmatory tests to determine final suitability for their specific end uses. All dimensions are nominal. We reserve the right to make changes or to withdraw designs and products without notice.
