## CENTABUILD H104 QUICK FIT ACCESS HATCH FOR WALLS AND CEILINGS

- **Fast to install**
- **Steel Construction**
- **Solid Flange**
- **Inexpensive**

Centabuild H104 Quick Fit Hatches provide easy but secure access into ceiling and wall voids. The hatch consists of a steel frame and pivot hinged steel door secured by a universal (allen key) lock. H104 installation is made fast and simple by the provision of a 10mm wide flange and push out tabs. H104 may also be installed conventionally by screwing or nailing to joists or trimmers.

Product Code	Nominal Size
H104-300	300mm x 300mm
H104-450	450mm x 450mm
H104-560	560mm x 560mm

### Installation

1. Mark the wall or ceiling to cut an opening using the hatch frame (not flange edge) as a template.
2. Place the hatch in opening.
3. Push out tabs to secure the wall or ceiling lining between the flange and the tabs. Alternatively, instead of pushing out tabs, secure to joists or trimmers with nails or screws through space above the tabs.

### Access Hatches available from Firepro Centabuild include:

- B350 Fire rated wall access panel.
- B351 Fire rated wall access panel.
- B355 Fire rated large access hatch for floors.
- B359 Fire rated ceiling hatch.
- H101 Access Hatch for walls and ceilings with MDF panel and key lock.
- H102 Access Hatch similar to H101 but with push catch.
- H103 Access Hatch similar to H101 but with steel panel.
- H104 Quick Fit wall and ceiling access hatch with flange.
- H105 Superior concealed hinge ceiling access panel. Wide range of sizes with an STC30 panel material and a steel flange.
- H106 Similar to H105 with panel material with an STC rating of 29 and integral plasterer's angle.
- H111 Ceiling Hatch edge trim (panel not included).

*NOTE: The technical information and suggestions for use and application presented herein represent the best information available to us and are believed to be reliable. If used beyond the situations detailed on this datasheet we advise confirming their suitability before installation. All dimensions are nominal.*
